NT Trading is the best company for tiles. Their customer service is excellent. Jim Uger is amazing. They go above and beyond. They make time on the weekends, dropped off samples to our house after hours.. Their stones are top notch! We renovated our kitchen and it looks so beautiful. We also bought our pool ivory travertine tiles from there as well. The Pool deck stays cool all summer long and looks so elegant! Don't go anywhere else!

This is a great business, not only do they have a large selection of top quality stone and tile the customer service is also incredible. Very friendly and willing to make time to help you out and explain their products to you. Will not hesitate in using their products in the future and recommending them to clients. Thank you Jim and your team!
